Purely Business!

The columns of a newspaper represent a cash value. No publisher is afforded to give advertising "notice" free any more than a merchant can loan over his counter the gift of any goods or stock. A newspaper is a legitimate business concern. Its columns are its stock in trade, and advertisements should be paid for, no matter in what part of the paper they appear.

A Continuation

of Our

\$7.65
SUIT

.. We will continue to sell \$10, \$12 and \$15 Suits for \$7.65 during this entire month.

.. There are two reasons for this. One is that we find we have many more good Suits to put in this sale than we thought we had. The other reason is that our many country patrons are in the midst of the heaviest work of the year and did not have an opportunity to avail themselves of these splendid bargains; hence, the sale continues during the month. Don't miss the opportunity of buying for \$7.65 a Suit of clothes that would cost you \$12 to \$15 elsewhere, and at these prices you would not pay too much for them; they are worth it.

AMERICAN FLAG.

Old Glory Triumphantly Floats Over the Captain General's Palace.

SALUTE OF TWENTY-ONE GUNS FIRED.

The Spanish Troops Stack Their Arms Between the Lines With Impressive Ceremonies.

Gen. McKibbin Active Military Governor of Santiago—The Harbor Cleared of Mines and Torpedoes—13th and 19th Infantry Detached.

In front of Santiago, July 18, via Guantanamo Bay.—Old Glory is now floating over the fortifications of Santiago.

At 9 o'clock Sunday morning the Spanish troops under command of Gen. Toral left their trenches and marched into the American lines, where one by one the regiments laid down their arms. The Spanish flag was hauled down and the stars and stripes hoisted in its place.

The work of loading the Spanish prisoners on transports preparatory to sending them back to Spain will be commenced as soon as ships are provided.

The authorities at Washington have urged to use haste in this matter. It has been suggested to use Spanish transports for the work, fear being expressed that the use of American vessels would result in rendering them dangerous for use in moving American troops on account of the exposure of the Spaniards to yellow fever.

WASHINGTON, July 18.—Gen. Greely, chief signal officer, 119th A. S., received the first word of the formal surrender of Santiago to the American forces. His advice came from the signal officer at Santiago and said that the Spanish troops left the trenches and marched on Sunday morning, laying down their arms. The Spanish flag was hauled down.

The war department posted the following bulletin at 12:15 a. m. Sunday:

SANTIAGO DE CUBA, July 18.—Adjutant General United States Army.—I have the honor to announce that the American flag has been this instant, 10 o'clock noon, hoisted over the house of the civil government in the city of Santiago. An immense concourse of people present. A squad of cavalry and a regiment of infantry were present and band playing national airs. Light battery fired salute 21 guns. Perfect order is being maintained by municipal government. Distress is greatly soothed, little sickness in town. Scarcely any yellow fever.

A small gunboat and about 200 men left by Cervera have surrendered to me. Obstructions are being removed from mouth of harbor. Upon coming into the city I discovered a perfect entanglement of defenses. Fighting as the Spaniards did the first day it would have cost five thousand lives to have taken it. Battleships of Spanish troops have been depositing arms since daylight in armory, over which I have guard. Gen. Toral formally surrendered the plaza and all stores at 9 a. m.

W. R. SHAFER, Major General. SANTIAGO DE CUBA, July 18.—Amid impressive ceremonies the Spanish troops laid down their arms between the lines of the American forces at 9 o'clock Sunday morning.

Gen. Shafter and the American division and brigade commanders and their staffs were escorted by a troop of cavalry and Gen. Toral and his staff by 100 picked men.

Transports on both sides saluted with batteries. Gen. Shafter returned to Gen. Toral the latter's sword after it had been handed to the American commander. Our troops, lined up at the trenches, were eye witnesses of the ceremony. Gen. Shafter and his escort, accompanied by Gen. Toral, rode through the city, taking formal possession. The city had been sacked before they arrived by the Spaniards.

At the palace elaborate ceremonies took place. Exactly at noon the American flag was raised over the palace and was saluted by 21 guns from Capron's battery. At the same time all the regimental bands in our line played "The Star-Spangled Banner," after which President McKinley's congratulatory telegram was read to each regiment.

The 18th and 9th regiments of infantry will remain in the city to enforce order and exercise municipal authority. The Spanish forces are to be camped outside of our lines.

SANTIAGO, Cuba, July 18.—The American flag is floating in triumph over the governor's palace in Santiago, Cuba. Gen. McKibbin has been appointed temporary military governor. The ceremony of hoisting the stars and stripes was worth all the blood and treasure it cost. A vast concourse of 10,000 people witnessed the stirring and thrilling scene that will live forever in the minds of all Americans present. A finer stage setting for a dramatic episode is hard to imagine. The palace, a picturesque old dwelling in the Moorish style of architecture, faces the Plaza de la Reina, the principal pub-

THEY CAPITULATE.

The Surrender of Gen. Toral's Army at Santiago Absolute and Complete.

COMMISSIONERS SIGN THE AGREEMENT.

All the Spanish Troops in the Province Except Gen. Luque's Command Are Included.

All Guns and Defenses in the Town Over to the Americans in Unconditional Surrender.

WASHINGTON, July 18.—The following messages were sent Saturday by President McKinley and Secretary R. A. Alger:

"To Gen. Shafter, commanding front near Santiago, Fla.: 'The president of the United States sends to you and your brave army the profound thanks of the American people for the brilliant achievements at Santiago, resulting in the surrender of the city and all of the Spanish troops and territory under Gen. Toral. Your splendid command has endured not only the hardships and privations incident to campaign and battle, but in stress of heat and weather has triumphed over obstacles which would have overcome men less brave and determined. One and all have displayed the most conspicuous gallantry and earned the gratitude of the nation. The hearts of the people turn with tender sympathy to the sick and wounded. May the Father of Mercies protect and comfort. (Signed) WILLIAM McKINLEY, President. Wm. McKibbin, Major General, near Santiago, Fla.: 'I can only express in words my gratitude to you and your heroic men. Your work has been well done. God bless you all. (Signed) R. A. ALGER, Secretary of War.'

Santiago, July 18.—A special dispatch from Santiago published here Saturday afternoon, gives the following as the terms of surrender of the Spanish forces under Gen. Toral: 'The 20,000 refugees at Cienfuegos and Siboney are to be turned back into the city. An American infantry patrol is to be posted in the roads surrounding the city. Our land corps is to give attention to any possible sick and wounded among the Spanish soldiers at Santiago. All the Spanish troops under the command of Gen. Toral are to come to the city to surrender. The guns and defenses of the city are to be turned over to the Americans in full condition. The Americans are to have full use of the Juraca railway which belongs to the Spanish government. All Spaniards are to be conveyed home by American transports with the least possible delay, and they are permitted to take portable church property with them.

The Spaniards are to surrender their arms. 'WASHINGTON, July 18.—The war department has posted the following: 'SANTIAGO DE CUBA, July 18.—To His Excellency, Commander-in-Chief American Forces.—Excellent Sir—I am now authorized by my government to capitulate. I have the honor to do so, and requesting that you designate hour and place where my representatives shall appear to compare with those of your excellency upon the terms of capitulation. I wish to manifest my desire to know the resolution of the United States government respecting the return of the Spaniards to note on the capitulations. Also the great courtesy of your great prowess and return for the great generosity and in pulse for the Spanish soldiers and allow them to return to the Peninsula with the honors the American army do them the honor to acknowledge as dutifully deservied.

(Signed) JOSE TORAL, General, Commanding 4th Army Corps.

"To Gen. Shafter, Commanding American forces."

Sixteen New Cases, One Death.

WASHINGTON, July 18.—The war department has posted the following at 10:30 a. m. Sunday:

SPRINGFIELD, Wash., July 18, 1898. STERILIZATION.—Sixteen new cases of typhoid fever, one death. Sanitary measures rigid.

GREENLEAF, Chief Surgeon.

Porto Rico and Spain Reel.

PLATA DEL ESTE, July 18.—Watson's squadron is preparing to go to Spain and several vessels are preparing for the expedition to Porto Rico. The auxiliary cruiser Yale with Gen. Miles will probably leave Porto Rico in the course of a day or two. Gen. Miles says a sufficient force will be sent to the island at once to take and hold it.

TEXAS GRAIN AND COTTON CROP Damaged.

DALLAS, Tex., July 18.—A number of the counties of northern Texas have been swept by a terrific hail and wind storm. In Bosque county John McLean was killed. In Johnson county Mrs. Julia Rucker was fatally injured. Great damage was done to the grain and cotton crops.

COUNCIL OF WAR.

Proposed Invasion of Porto Rico and the Dispatch of Watson's Squadron to Spain Considered.

WASHINGTON, July 18.—A council of war was begun at the white house at 10:15 o'clock Saturday morning. There were present Secretaries Alger and Long and the members of the war board, consisting of Mr. Adams, Mr. Clegg, Mr. Crookshank and Capt. Nathan. It was supposed that the proposed invasion of Porto Rico and the dispatch of Watson's squadron to the coast of Spain were under consideration.

SEVENTEEN MINERS who left Dawson City June 25 have arrived at Seattle, Wash., on the steamer City of Seattle, bringing with them gold dust and drafts estimated at \$900,000, of this amount \$180,000 was in dust.

Imperial says that a member of the ministry declares that negotiations for peace with the United States are only possible so far as the question of Cuba is concerned. To demand more would be to say that Spain must capitulate.

Gen. Chambers McKibbin, who has been appointed temporary military governor of Santiago, is a member of an old and well known Pennsylvania family. He was born in Chambersburg, not far from the famous Gettysburg battlefield.

It is expected by the navy department that but few ships of Adm. Sampson's squadron will enter the harbor at Santiago. Enough vessels will be sent in to put the harbor in order for naval operations and the needs of American interests.

The harbor of Santiago will be cleared of mines as speedily as possible, and then be utilized as a naval station and harbor of refuge. It is admirably fitted to be a safe resort for American shipping in the hurricane season which is now upon us.

Government engineers and surveyors have arrived at Champlain, Clinton county, N. Y., for the preliminary survey of the proposed great ship waterway, between the great lakes and the Hudson, via St. Lawrence river and Lake Champlain.

A member of the Spanish cabinet in an interview Sunday asserted that the government was seeking an honorable peace with the United States. An official dispatch from Porto Rico says 150 cases of amputation explained there, killing 14 persons and wounding many others.

Gen. Miles is anxious to remove the troops from Cuba as soon as possible, even if they have to be kept on the transports ships for a time before moving them to Porto Rico, and is therefore eagerly awaiting the determination of the further campaign by the Washington government.

Capt. Hunter, of the gunboat Ancon, arrived Sunday to Porto Rico. He had been three days waiting for blockade runners. He had a slight engagement there with the Spanish who fired upon him with field pieces, but did not hurt any of his men. Capt. Hunter returned the firing and to burning the Spanish barracks.

Gen. Miles said Sunday: 'I am most gratified over the surrender of Santiago. The terms are just as good as an unconditional surrender. The Spanish troops would eventually have to be sent to Spain by sending them to some place and keep them for only one month or so instead of perhaps a year. It would be hard work to keep them in Cuba.'

Capt. William McKibbin, who had the honor to raise the stars and stripes over the palace in Santiago, is an addition to the staff of Gen. Shafter. On May 18 he was appointed by the president of the United States as general, with the rank of captain, and was assigned soon afterwards to the 14th army corps, now under Shafter's command in Cuba. He is a resident of California.

Capt. Blanco at Havana will be deprived of all means of communication with his government at Madrid, except through a strict censorship when the American army formally takes possession of Santiago. There can be no doubt on this question as Gen. Shafter will direct immediately on taking charge of the city that American operators be placed in the telegraph office there.

WIDE OPEN LETTER.

Dr. H. G. Campbell, an Old Soldier, Pays His Respects to Hon. S. J. Pugh.

More's Mill, Ky. July 14th, 1898.
To Hon. S. J. Pugh, Vandalia, Ky.
My Dear Sir: In order that I may fulfill my promise to yourself I now address an open letter to you in regard to your repeated hypocritical friendship to old soldiers, more especially the boys of the Sixteenth Kentucky Infantry.

You will remember that you were constrained to believe that this Congressional District belonged to me and Morg after your reelection in 1896. Having been one of the first Electors in Kentucky to put your name forward for nomination in '94, and also for reelection in '96, I felt that it was obligatory and duty that I owed to you and our party to advise you regarding the status of the Postoffice at More's Mill, Ky. That W. A. Hinson, a worthy young Republican, was incumbent Postmaster, and his commission of four years would hold to July 1st, 1900, long after your term as Congressman will expire, and informed you that in case a vacancy occurred I would be an applicant for the appointment and asked, requested and shamed you to not order anything done regarding this office, as it would militate against party harmony in this county, and that I was an old soldier, broken in health and not able to perform any labor for the support of a large family, and was eminently qualified and equipped with the most comfortable and convenient location in the village for site for a Postoffice when it should be necessary to make a change in Postmasters.

As also other good and sufficient reasons to have you keep your hands off what did not concern you or your party, but to leave it to me and my friends to promote your party or candidate friends who promoted your order, but I am not in Carter county, and you are not in your own county, and you caused defeat of Fleming county Republican ticket. You advertise and advertise that you are a warm friend of all old soldiers. How did you treat Cornelia Lawrence, an old veteran of the Sixteenth Kentucky Infantry, who had the Postoffice at Petersburg, Ky.? You stopped to deprive him of the office to give it to a woman whose husband was rich. You, to further show your disregard for your word and for old veterans, recommended a young blacksmith and wagon-maker at More's Mill as against Dr. H. G. Campbell, who only asked you to not do anything against him. He knew full well that you were a Republican for revenue and would not ask any assistance from you. He also knew that you were one of the Pension Committee in Congress and designed claiming the credit of all the loyal members of the Committee's labors.

He also knew that the Government furnished all blanks, paid all postage and hired and paid your clerk or secretary to attend to all your pension business which you knew nothing about, but wanted to appropriate the honor for working for the old soldiers. (David Gorman of Lewis county says he had employed you to attend to his pension claim while you are in Washington, D. C.) It is true that many sufferers have been induced to

believe your pretensions of friendship are really honest. But when you were actually jump upon two old soldiers so close as seven miles radius and try to throw mud and thorns in their pathway during the twilight hours of the evening of life you are a magnificent Hypocrite, with a big H.

Now, little Sammie, in your future walks of life remember that an honorable enemy is a far better man, Christian or politician than a false friend. I am an old man now and when you were imbibing and practicing Democracy I was serving my country and my flag and fighting the battles of the Republican party when it tried men's souls to be Republican. I have given time and means and labored night and day for my party. I never asked any reward. But I did ask you to not do anything against me, and you refused to withhold your antagonism as I have proof of your action under date of January 11th, 1898, with reassurance that you would give the matter your personal, prompt attention with pleasure, etc. If you want to see a man of manly boldness, good associations and true loyalty to country and pure disinterested love for old soldiers and their families, behold W. H. Cox of Maysville, who has given us more true, unalloyed comfort and material aid than many, many Sam Pughs. When we were erecting a monument to Mason county volunteers we had unequalled specific orders from Mr. W. H. Cox to make the affair an honorable success, to spare no expense and what was necessary to be given to make our funds meet expenses he would pay out of his own purse, which he did, and most liberally too, with the modest request that we should not mention it. I was Chairman of three Committees and know whereof I speak. He always gives the boys help when they have a reunion and never turns a soldier, his widow or orphan away empty handed. I have been situated near his door for months where I could see his works of charity, his labor of love. But I have never seen him from upon mendicants or seem disturbed upon relieving their wants. The Republican party can never be poor in Mason county as long as she has a W. H. Cox at her back. He does not parade a lot of imaginary work he has done for his party and old soldiers. But he virtuously withholds from his left hand what his right hand does, and ranks second to none in intelligence, polish or statesmanship and a long line of ancestors whose loyalty was never questioned for a moment and whose acts were unselfish, but for the greatest good for the greatest number of people. I knew them well and have mingled with them in their joys and sorrows. Believing that I have candidly and faithfully given you good and sufficient reasons why you are the only man of any color or Nationality whom the Republicans could nominate that will not ask cannot vote for under any circumstance or condition for Representative in Congress, I am respectfully your obedient servant, H. G. CAMPBELL.

Fremont Park.
"Remember the Sabbath Day to keep it holy." Fremont believes six days enough to work, and therefore observes to keep the seventh as commanded. It is for this reason that he is quiet at Fremont Park on Sunday. Not even a balloon excursion is given, but tonight, beginning the week, vaudeville in all its charming idiosyncrasies will be seen, besides many new free features as it is exhibited, of which, in particular, you will know more shortly. The citizens of Maysville appreciate Fremont's efforts. They are glad to help a home boy who is working hard with hands and mind to give them entertainment, and that he appreciates it, none can say he does not. Always scheming for new features, constantly adding to his tent, will now expand and the dignity of colossal, mighty and grand will attract thousands in a numerous strength in attractions and in wonderful feats. Come out tonight and see the performance. Ten cents admits you, and a funny, excellent vaudeville performance you will see.

Deafness Cannot be Cured
by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure Deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous membrane of the Eustachian Tube. When this tube gets inflamed you have a humming sound or imperfect hearing, and when it is entirely closed Deafness is the result, and unless the inflammation is taken out, and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous membrane.

I will give one Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure sent for free trial.
